CM Evaluation Form for AICP Members

APA National requires evaluation of this event's (1) quality and (2) relevance to its purpose or objective. Evaluation of CM events helps assure that future events will provide the level and type of material and instruction that allows AICP members to secure CM credits at approved events.

Please answer the following questions about this event:

1. The event has better prepared me to do my job or perform my role (e.g., provided useful ideas or techniques, speakers were engaging and knowledgeable)

Agree Neutral Disagree

Comment: _____

2. The event has elevated/expanded my knowledge as an AICP member (in my area of practice or through introducing new subject matter at a professional level).

Agree Neutral Disagree

Comment: _____

3. The material covered and the level of instruction at the event was what I expected based on the description of the program as it was advertised to me as an AICP member.

Agree Neutral Disagree

Comment: _____

4. A topic or some of the material should have been more effectively organized or presented for the event to have met its stated purpose or objective.

Agree Neutral Disagree

Comment: _____
