

## Sustainability at the APA California Conference 2015

The October 2015 Northern News, Plan-it sustainably Column summarizes the conferences sessions in terms of an emerging sustainability “pivot” from mitigation to regeneration. ([see page 10](#))

One of our blog posts expands on [the Emerging Sustainability “Pivot” Column](#).

Another blog post [lists the Conference’s sustainability offerings](#):

In addition, these two PDFs of the two blog posts can be printed or downloaded.

- The [Sustainability Pivot](#).
- The [list of Conference Sustainability Sessions](#).

*[Post prepared by Scott T. Edmondson, AICP, founder/past co-director and Research Program Lead of the Northern Section’s Sustainability Committee, one of the APA Sustainable Communities Division’s Sustainability Champions, and a strategic sustainability planner-economist at the SF Planning Department.]*
