

November 2015

- **What a great conference!** Little-known stats from the APA California conference in Oakland October 3-6, and a photographic overview of the mobile workshop to the Facebook and Google campuses in Menlo Park and Mountain View. [Page 1](#)
- **The economic consequences of housing supply constraints.** *Claude Gruen, Ph.D.* The streets of San Francisco throng with well off people; the city's growth-stunting housing costs are unintentional consequences. [Page 7](#)
- **In Memoriam.** *Frank Lockfeld, 1933-2015.* [Page 10](#)
