

Alameda County Planning Department - Planner II

The Planner II position is located in the Planning Department of the Community Development Agency in Hayward. Incumbents work on less difficult planning projects under the supervision of a Senior Planner or assist a Planner III with a major planning project. With experience, the Planner II can assume responsibility for carrying out projects of expanded scope. Duties may include preparing background studies for the General Plan, Plan Elements and Amendments; assisting in preparing specific plans, environmental impact reports and zoning studies; and the analysis of subdivision, site development review and zoning applications. To apply, please submit your online application [here](#).

The Alameda County Community Development Agency's mission is to enhance the quality of life of Alameda County residents and plan for the future well-being of the County's diverse communities; to balance the physical, economic and social needs of County residents through land use planning, environmental management, neighborhood improvement, and community development, and to promote and protect agriculture, the environment, economic vitality and human health.
